COFFEE WITH YOUR CONGRESSMAN

Dear Friends:

As your representative in Congress for the past 17 years, I have made it a priority to visit every neighborhood in the 31st Congressional District as frequently as possible to hear your thoughts and views on the issues of the day. A face-to-face conversation is the best way for you to share your ideas and opinions directly with me. That is why I invite you to attend my upcoming Coffee With Your Congressman town hall event.

See the other side of this mailing for details.

The best ideas for addressing our problems don't come from Washington, they come from the folks back home. I hope to see you there!

Sincerely,

XAVIER BECERRA
Member of Congress

P.S. - If you are unable to attend this "Coffee," make sure to check my website, <http://Becerra.House.Gov>, and click "Sign Me Up" to hear about the next meeting and receive periodic email updates from my office. I also post video of each meeting under "Becerra Broadcasts" so that everyone can listen in to the conversation.

Congressman Becerra, shown here at one of his meetings, believes that the question and answer session is the most important part of each "Coffee," as it gives everyone a chance to join in the discussion.

Congressman Becerra, shown here at a "Coffee" chatting with a constituent, stays after each meeting so you can talk directly to him about the issues you want to see addressed.

HOW CAN I BE HELPFUL?

One of my most important duties is to assist constituents as they deal with federal agencies. My staff and I are ready to help you cut through "red tape" and secure the services and benefits our taxes pay for. Keep us in mind.
